SOLAR PANELS / PRODUCT SELECTION GUIDE

Foldable & Portable Solar Panels

Foldable modules and portable solar charging for travel and outdoor use.

Application

Camping, vehicle travel and temporary outdoor charging.

Define the right specification

PARAMETER	WHAT TO CONFIRM
Rated power (Wp)	Define the required charging output.
Folded dimensions	Confirm transport and storage space.
Output voltage & current	Match the receiving device's permitted PV input.
Connectors & cable	Confirm connector type, polarity and cable length.
Use conditions	Request operating and handling instructions.

Send us your project requirements

Include your destination market, application, quantity, target delivery and any available electrical or installation information. Request the exact model datasheet and documentation before confirming an order.

Document status: This is a product family selection resource. It does not specify an approved model, certified ratings, performance guarantees or warranty terms. These must be confirmed against the documentation for the selected product.
